How to Report a Noise Complaint

4. The system will automatically generate a reference number. Please use this number if calling about a specific event.

The screenshot shows a mobile application interface for reporting noise complaints. A 'Submit a Noise Comment' form is displayed over a map. The form is divided into two sections: '1. Tell us about yourself' and '2. Tell us about the noise'. The 'Success' dialog box is centered on the screen, indicating that the report was submitted successfully. The reference number 289661 is highlighted in a red box within the dialog.
